*8am - 10am (2 CEUs)*

### The Nuts & Bolts of 2-Wire:

Learn the basics of design, installation and troubleshooting a 2-wire irrigation system. 2-wire systems are becoming the norm for commercial sites and you can't miss this opportunity to learn how to maximize your profit dollars with this technology.

*10am - 12pm (2 CEUs)*

### SmartWater Technology:

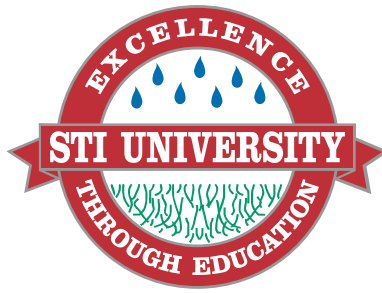

Learn about all the new products available for "water-smart" irrigation design and installation. Familiarize yourself with the latest advancements in ET technology, soil moisture sensors, weather station monitoring and central irrigation systems.

*12pm - 1pm LUNCH will be provided*

*1pm - 3pm (2 CEUs)*

### Prioritizing for Profit:

Review the four basic components of your business: sales, organization, service, installation. We will analyze each component and place appropriate priority on each to ensure you operate a profitable business and who in your company is best suited to perform those tasks.
