## Code of Ethics

This code of ethics for the members of the **Carolinas Irrigation Association** has been adopted to promote and maintain the highest standards of irrigation installation and conduct among its members.

As members of the **Carolinas Irrigation Association**, we recognize the need to provide service in a professional manner and to deal with the public and our colleagues with integrity. We, therefore, agree to the following creed in fulfilling our obligations:

- To promote the purposes and objectives of the **Carolinas Irrigation Association**.
- To promote and maintain the standards of installation of this Association.
- To be environmentally responsible with design and installation.
- To use only quality products for irrigation installation and service.
- To adhere to local, state and federal laws that apply to the irrigation industry.
- To maintain professional competence through continuing education.
- To act with integrity in financial matters with colleagues, employees and clients.
- *To act with integrity in matters of personnel recruitment respecting other colleagues and fellow members.*
- To support fellow members of the **Carolinas Irrigation Association**.
